INTERNATIONAL AIR AND
SPACE PROGRAM 2022

Sponsorship Packages in
Educational Programs

A high-quality photograph of an astronaut in a white spacesuit floating in the vastness of space. The astronaut's helmet is reflective, and their gloved hands are visible. The background is a deep black with numerous bright stars and a subtle nebula. The entire image is framed by a thick yellow border with rounded corners.

ABOUT US...

AEXA

AEXA is a multidisciplinary binational company focused on new technologies, founded in 2012 under the name of Aplicaciones Extraordinarias Aeroespaciales AEXA in Mexico and AEXA Aerospace LLC in the United States.

INTERNATIONAL AIR AND SPACE PROGRAM

It is a 5-day educational program that involves teamwork, problem-solving, and communication between students and engineers experts in the aerospace industry, with the purpose of adapting and solving any unexpected problem, while students train as astronauts, experience neutral buoyancy, gain experience flying an airplane and more.

WHY BE A SPONSOR?

Demonstrates your organization's commitment to community improvement by preparing future leaders.

In the case of educational institutions, you can increase enrollment demand by positioning yourself as an organization that supports aerospace educational programs.

Position your organization for public awareness, which increases market participation and penetration.
